

Vision

A future where older people live with dignity, wellbeing, and purpose, supported by sustainable, compassionate, and collaborative care systems.

Mission

To strengthen Catholic congregations in Kenya to provide holistic, dignified, and sustainable care for aged members and older persons.

"Stand up in the presence of the aged, show respect for the elderly and revere your God. I am the LORD"
(Leviticus 19:32)

Changing the Way, We Live, Age, and Care for Older Persons

The Care for Aging Sisters Association in Kenya (CASAK) is a collaborative initiative of Catholic religious women congregations dedicated to promoting dignified, compassionate, and sustainable care for ageing Sisters and older persons through training, research, advocacy, and community-based care coordination.

Certificate in Geriatric Care Management (CGCM)

The Certificate in Geriatric Care Management (CGCM) is a six-month blended caregiver training programme offered by the Care for Aging Sisters Association in Kenya (CASAK) in collaboration with Chemchemi ya Uzima College.
